

PARENT REPRESENTATIVE

Dear Parent,

Thank you for your interest in being part of Metro Lacrosse. In the following letter you will find that being a Parent Representative is not much, responsibilities are very simple, and help the coaches out a lot since practices and game days are very busy. I am trying to get one to two Parent Reps per team.

Responsibilities overview:

- Keeping time and score at the game
- Phone tree on rare occasion since e-mail is main source of communication

If you are interested please contact me as soon as possible so I can coordinate everything. If there are any questions that arise please contact Matt Prime at 314-496-6086 or e-mail metrolacrosse@yahoo.com.

Thanks Again,

Matt Prime
Director, Metro Lacrosse
